For freedom like this, especially during your menstrual period, trust your protection to Tampax tampons. More women use them than all other tampons combined. The slim, smooth, pre-lubricated container-applier makes Tampax tampons comfortable to insert. Removal is no problem, either. The withdrawal cord is chain stitched the entire length of the tampon and can't pull off.

**It takes the indecision out of the decision to buy contacts.**

If you wear eyeglasses, you've probably thought about getting contact lenses. You've probably also had second thoughts about whether you'll like them or not. That's why Pearle Vision Center now offers our "Love 'em or Leave 'em" Plan. Try contacts. Wear them. Live with them. And then, within 30 days of purchase, if you decide they're not for you, we'll refund the cost of the lenses. This plan does not cover soft or bifocal lenses. You owe it to yourself to see how you like contacts. And now Vision Center has a way for you to do that. Without owing anything to us.
