third place team," Allen said. "We might not be taken. I think some of the other conferences might have pumped up their scores to reach 417. Minnesota won the Big 10 with a 425 and they hadn't come close to that all year." ISU coach Ed Gagnier praised the Husker effort in Lawrence.

"Frankly I was surprised by the strength of Nebraska," Gagnier said. "They just had a little lack of depth. I felt Francis Allen did a remarkable coaching job. I was also surprised it was such a close meet throughout. Nobody folded."

Though the Huskers may not field a team at the national meet, four Husker gymnasts will attend as individual performers.

Seniors Duane West and Kurt Mackie and juniors Larry Gerard and Mike Cosgrove will compete because they finished in the top three in their events at the Big 8 meet.

Although Gerard lost his all-around crown to OU's Bart Connor, a former Olympian, he qualified in three events for the NCAA meet. Gerard defended his high bar title in winning that event and finished second in the floor exercise and the still rings. West won the floor exercise competition. He was runner-up in that event in 1976. West also qualified in the high bar with a third place finish. Cosgrove finished second in the pommel horse and Mackie third in the still rings to advance to Tempe.

Other top finishers for the Huskers included a sixth place for junior Steve Todd in the pommel horse, a fifth place finish for freshman Kevin Dunkley in the still rings, a sixth place for freshman Rich Brindisi in the vault, and a fourth place finish for senior Gary Jeurink on the high bar.

In addition to their top three finishes, Gerard took a fourth in the vault and a fifth in the parallel bars and West finished fifth in the vault.

Army ROTC.

Three ways to do it in two years.

1

Six weeks Basic Camp at Fort Knox, Kentucky. You'll get \$500 for attending a challenging camp. And, if your performance is exceptional, you just may qualify for a two-year scholarship as you enter the Advanced Program.

2

Multiple entry/On-campus summer program. Enter Army ROTC during your freshman or sophomore year with no military obligation. You'll find a curriculum that's flexible and exciting enough to meet your class schedule and academic needs. You may even consider enrolling this summer in Army ROTC on campus. At the end of the summer you may find yourself eligible for the Advanced Program.

3

Advanced Placement. If you are an Army veteran or a Junior ROTC graduate, you are eligible to automatically enter Advanced ROTC.

No matter how you enter Army ROTC, you'll experience adventures in leadership. You'll learn how to as a cadet in the Advanced Program, you'll receive \$2500 over your last two years. No matter whether your career plans are military or civilian, upon graduation Army ROTC provides for both—active duty status with a starting salary of over \$11,300 or reserve status (Active Duty for Training) while employed in the civilian community.
