

GTE SYLVANIA INCORPORATED

RECEIVER *Closeouts!*

SALE PRICED BELOW WHOLESALE

NOTE:
 For many years now World Radio has been selling you name brand stereo components at the lowest retail prices in the Midwest. As our chain has grown so has our buying capability.
 Only once in a lifetime does a special offer like this become available from a large electronics manufacturer like GTE/Sylvania. It took time and Sylvania's largest volume electronics dealer to make a buy like this possible! World Radio has purchased four of Sylvania's top of the line receivers at unbelievably low prices.
 We are actually offering these receivers for less than the distributor's original cost.
 This is a once in a lifetime opportunity and our chain has been shipped a limited quantity of these Sylvania receivers. They will be sold on a First Come-First Serve Basis. No Layaways and all units have a limited 90 Day Parts and Labor Warranty. Bank Cards will be honored and we can also arrange financing.
