

Incumbent Sue Bailey defeated

Newcomers Leo Scherer and Joseph Hampton, along with incumbent John Robinson won the three available city council positions in Tuesday's election.

Incumbent Sue Bailey, who finished first in the primary election held last April, finished fourth and will not return.

Also defeated was a bond issue to fund a civic center for the performing arts. The bond issue failed, 52 per cent to 48 per cent.

In the race for the four school board positions, Stanley Linnertz, Milan Wall, Louis Roper and Pearl Goldenstein won. Linnertz will serve out the term of former school board member Joanne Maxey who left that position several months ago.

Incumbents Fran Minard and Frederick Eiche were reelected to the airport authority.

The race for the three city council positions was close from start to finish, with Hampton taking the lead only after two thirds of the vote had been counted.

Hampton finished with 13,028 votes. Second place Scherer finished with 12,787, while Robinson received 12,608 votes. Bailey received 12,328 votes.

Running in fourth place was Dorothy Walker with 13.8 per cent of the vote, and finishing last was T.R. Allan with 9.5 per cent of the vote.

In the race for the board of education, Steve Slaikou finished fourth with Lynn Mortenson fifth and Jerry

Waechter last. Linnertz defeated Frannie Thomas in the race for Maxey's vacated seat.

Losers in the race for the two airport authority positions were Robert Weigel and Robert Halvorsen.

More than 24,000 votes were cast, which is eight thousand more than were cast in the April primary election.

Hampton finished second in the primary, while Scherer finished fourth. Robinson finished second in the primary.

The Guy I'm Chosin

Wears Van Heusen®

'cause those super patterns, nifty collars and fantastic fit are really something else! Sure, he could look just like all those other guys... but then he wouldn't be the one for me. Call him the rugged individualist or whatever you want.

VAN HEUSEN MAKES SHIRTS FOR YOUR SENSUOUS AMERICAN BODY AND YOUR ROMANTIC EUROPEAN SOUL.

Me, too. And I don't intend to miss a single day on the beach.

That's my number one reason for choosing Tampax tampons when I'm having my menstrual period.

They're worn internally. So there's nothing to get in your way. And nothing to show or feel bulky. Even in a bikini.

Sun...fun...and Tampax tampons. A combination that really works.
