Guess what this is?

Guess again.

If you guessed a bed, you're only half right.

It's a flotation system.

A lot of people don't realize that fluid support comes in all the beautiful styles you expect of fine furnishings. We can compliment any decor. You'll find quality in all price ranges. We can even give you a whole suite of bedroom furniture to match, if you like.

Lively, lovely sheet sets, pillow cases and bed spreads are coordinated to add the finishing touches.

But you'll never really know the beautiful difference in our mattresses until you try one. Because our flotation systems sleep even better than they look.

Come in soon and we'll show you what we mean. Or ask a friend who sleeps on one.

Featuring the incomparable flotation sleep heaters by SAFEWAY.
