

Jayhawks planning ambush for Huskers-Cipriano

The Kansas University Jayhawks will look for revenge when the UNL basketball team invades Allen Field House in Lawrence, Saturday.

UNL handed the Jayhawks their only loss in Big Eight Conference play 62-58 in Lincoln. However, since then, KU has six consecutive wins and have wrapped up the Big Eight title.

To win, the Jayhawks will have to control the tempo of the game more than they did in the loss in Lincoln.

"Nebraska has been effective in controlling the tempo," Kansas Coach Ted Owens said. "That has to be one of our major concerns. We need to make them play our game and do a good job on the boards to defeat them."

The Jayhawks are 21-3, 11-1 in conference play, and ranked sixth in both the Associated Press and United Press International college basketball polls.

"They've got the best overall balance and talent in the league," UNL coach Joe Cipriano said. "We've beaten them once this year in Lincoln, so you know that they'll have an ambush waiting for us in Lawrence."

The Huskers (19-5) have been ambushed their last two outings, 74-68 by Oklahoma and 74-52 at Missouri.

Regardless of the two losses, Owens said he still has much respect for UNL.

"I have been extremely impressed with them," Owens said. "They play very well as a unit on offense and demonstrate good patience. Defensively they are one of the league's best teams."

"In addition, I believe they have a solid bench. In fact, their depth may be comparable to ours," he said.

The Jayhawk bench strength has helped them average over 82 points a contest.

Leading the Jayhawk reserves are seniors Donnie Von Moore and freshman Wilmore Fowler. Von Moore has averaged 11 points a game this season and Fowler averages eight points a game. Fowler hit a career high of 18 points in the Jayhawks 75-63 win over Kansas State Saturday.

Freshman Darnell Valentine leads the balanced Kansas scoring averaging 13.6 points a game, while forwards John Douglas and Ken Koenigs average 12.3 and 11.3 points a game.

Tipoff is scheduled for 7:35 p.m., and will be aired on KFAB, KLIN and KFOR.
