**Bakery can bank
 on Valentine's Day**

This year's Valentine's Day was a sweet treat for Nebraska Union's retail bakery.

According to Bob Richeson, assistant food service director, sweethearts bought \$677 worth of goodies. The total included not only valentine cakes and cookies, but donuts, cakes and cookies regularly sold by the bakery.

Valentine's Day is the best day of the year for the retail bakery, Richeson said. This year's valentine sales more than doubled those of a normal day and were \$60 higher than last year.

Richeson said sales usually total \$225 to \$250 daily. This year students also could buy valentine heart cookies in the lobby of the union. Nearly 175 cookies were sold at \$1.09 each.

Richeson said the bakery makes baked goods for special occasions. Plans soon will be underway for St. Patrick's Day baked goods.

Richeson said Easter and Christmas also are important holidays for the bakery.

"But the best is Valentine's Day," he said.
