

SOAR captures all but three positions in elections

Members of Students Organized for Active Representation nearly made a clean sweep of ASUN Senate seats. Only one SOAR candidate on the ballot was not elected, and of 33 seats filled, only three new senators ran independent of a party.

ASUN agenda

The 1977-78 ASUN Senate and executives will turn their responsibilities over to the newly elected representatives at tonight's 6:30 meeting in Nebraska Union 202.

The senators will present their final term reports before swearing in new senators. The new senate also plans to form an ad hoc committee for rules of procedure.

The agenda is:

- I. Call to order, roll call
- II. Approval of minutes
- III. Executive reports

- IV. Open forum, Richard Armstrong, vice chancellor for student affairs
- V. Senate reports
- VI. Old business
- VII. New business;
 - A. Johnson's report to the senate
 - B. Swearing in of new senate

1978-79 Senate

- I. Call to order, roll call
- II. Executive reports
- III. Open forum
- IV. New business, ad hoc committee to form rules of procedure

Two senate seats in the Graduate College remain unfilled because not enough graduate students filed for candidacy to fill the six seats.

A total of 3,017 students voted, according to official election results. The referendum on mandatory student fee funding for speakers drew 2,533 supporters and 411 opponents.

Complete election results are:

Executives

President: Ken Marienau.
 First vice president: Bob Moodie.
 Second vice president: Scott Ballentine.

Senators:

Agriculture College: Don Cain, Dan Lamprecht and Jim Reimer.

Health care extended to east campus

East campus students with minor ailments no longer have to travel to city campus for treatment, according to the University Health Center director of nursing.

Linda Rizjis said the East Campus Health Resource Center, open since the beginning of spring semester, is equipped to handle most nonemergency health problems. The center, open Monday through Friday from 2 to 4 p.m., is located on East Union third floor.

Rizjis said a registered nurse is on duty during office hours. The nurse can dispense crutches and elastic bandages, change dressings, treat minor burns and remove stitches, she said.

Follow-up care ordered by health center doctors also can be provided at the east campus office, she said.

Most services offered are free, Rizjis said, adding that small charges are made for dressings and other materials used.

Lie down and be counted.
