Bose 901 Series III: the most innovative speaker since the legendary 901 Direct/Reflecting speaker was introduced in 1968.

The 901 III brings a new level of perfection with improved bass reproduction, frequency response and spatial characteristics.

Due to its new ultra-high-efficiency drivers, it can produce the same sound volume with a 20 watt amplifier as the original 901 with a 70 watt amplifier.

To fully appreciate the 901 III's spectacular performance, you must experience it for yourself. Come in for a live demonstration and hear the incredible impact of sound unlike any other.
