

Queen...

Continued from Page 12

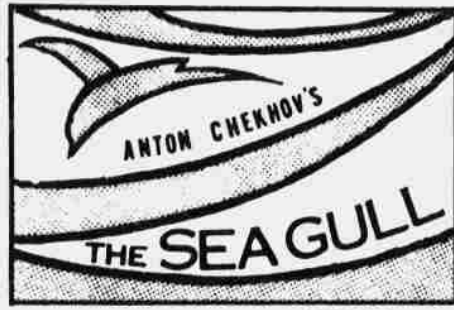

Jazz closes with another offering by Taylor, called "More of that Jazz," which sums up the album neatly. Instead of taking the time to construct a piece interweaving the melodies of some of the songs on the album, Taylor inserts brief excerpts of several numbers on top of a repetitive one chord theme, making the song sound more like a self-parody than anything else.

It is unfortunate that Queen's superstar status will probably carry them through albums like Jazz without losing any credibility. Now that they have achieved the degree of success that their earlier work merited, they seem content to rest on their laurels. It is a shame that the

freedom that financial success has afforded Queen could not have inspired them to produce an album worthy of their talents.

"The funniest film of the year"

CHICAGO TRIBUNE · SOHO WEEKLY NEWS · SACRAMENTO UNION
 SAN FRANCISCO EXAMINER · DAYTON JOURNAL HERALD

"If you're in high school, if you're in college, if you're out of college, if you've ever heard of college, a National Lampoon fan, a Saturday Night Live fan, or you're just ready for some wild college humor you will have a laughing good time at 'Animal House'."
 -GENE SHALIT NBC-TV

"Frenetically funny...a raucous remembrance of things past and passionate. Good innocent fun mixed with enough wickedness to give it some character."
 -RONA BARRETT, ABC-TV

"Belushi is a combination of Lou Ferrigno's Hulk, Charles Schultz' Pigpen, Fatty Arbuckle, Harpo Marx and all Three Stooges. 109 minutes of horseplay."
