

# Summer school error

The *Daily Nebraskan* ran a story about UNL's summer sessions on Feb. 21 which contained three errors.

The article stated there will be no drop/add charge for all summer session students, it should have read that a \$5 drop/add fee will be charged for students using the general registration and there will be no drop/add for students using early registration.

Second, the amount stated for student fees was incorrect. The summer session office advises all students to refer to the summer session schedules for the correct amounts.

Third, the story said registration materials would be available in the Nebraska Union, East Union, Administration Building, and the residence halls, but registration materials will not be available in the residence halls.

The *Daily Nebraskan* regrets the errors.

**EDUARDO THE HEALER**

"Eduardo the Healer is a moving and memorable documentary portrait of a man of exceptional character. Filmed in Peru, it combines ethnographic veracity with beautiful cinematography and a fascinating life story. Eduardo Calderon is a fisherman by trade, a sculptor by avocation, and a shaman by profound conviction, who in the tradition of Casteneda's Don Juan uses hallucinogenic drugs to practice his healing art."

plus a second film - **ALWAYS FOR PLEASURE**

"Les Blank's newest film, *Always for Pleasure*, is a 58-minute ode to New Orleans as the parade capital of America and as an infectiously hang-loose city that may redeem tawdriness for all time. Focusing on the ritual traditions of the jazz funeral and on Blacks masquerading as Indians for Mardi Gras, the film shows how these rich offerings of music and street pageantry fit into the cultural history of New Orleans."

Saturday and Sunday at 4, 7, & 9:15 p.m. Admission \$2.00.
