"THREE HEARTS" FOR THE PRICE OF NONE

"THREE HEARTS," Bob Welch's hot
new album, was recorded and mixed
down on JBL - the #1 loudspeaker in
major recording studios today. (Fact:
35 of the top 50 albums recorded last
year used JBL to make their sound.)

Come on in and test-drive JBL with
"THREE HEARTS," and hear it the way re-
cording engineers heard it in the studio.
Then take the album home. Free. We want
you to hear how "perfect" sounds on
the loudspeaker the pros use
to put it there: JBL.
