Free University will no longer be a duty of ASUN. The senate passed a resolution turning over Free University to the University Program Council.

Second Vice-President Kim Weiland said that the Free University did not take place this year because there were problems finding someone to chair Free University and getting instructors to teach the courses.

'It (Free University) hasn't had a lot of success for the last two years," Weiland said. She added that a maximum of 300 people used Free University in the last few years. Sen. Gail Casteel said that UPC was willing to take

responsibility for Free University. The Senate appropriated UPC \$100 for the advertising of Free University.

A student migration to Oklahoma for the November football game between Nebraska and Oklahoma is planned for next year as a result of a resolution passed.

Belt said there were advantages to having a migration

to the Oklahoma game. It is over Thanksgiving and a migration guarantees UNL students 20 percent of the tickets to the game, he said. Bob Devaney said there may be a possibility that the game will not be televised,

The senate approved appropriating Student Legal Services \$17,803 for the attorney's salary, the secretary's salary and expenses.

The senate also approved spending \$1500 for ASUN summer allowances.

Executive salaries were approved by the senate. President Cuca will receive \$160 a month September through April and \$80 a month May through August. First Vice President Hubert Brown and Second Vice President Kim Weiland both will receive \$140 a month September through April and \$70 a month May through August.
