

Tickets, permits available

By Tom Prentiss

With most prices headed skyward, UNL students will be comforted in knowing that prices for football tickets and parking permits will remain at a more down-to-earth level.

Football tickets again will cost \$25 and parking permits will cost \$35 a year, or \$20 a semester.

Students who did not buy football tickets in the spring can buy them from 9 a.m. to 12 noon and 1 p.m. to 4 p.m., Aug. 28-31. They will be available at the south stadium ticket office.

Students buying football tickets must furnish a student identification card with a current certificate of registration. Only full-time students, undergraduates taking 12 or more hours and graduates with nine hours or more are eligible to buy tickets.

Students who have not pre-registered will be allowed to buy tickets only after completing registration. Married students must furnish proof of marriage.

Returning students who purchased tickets last spring can pick up their tickets Sept. 4-7 at the ticket office.

A student identification card and the ticket receipt will be required to pick up the tickets. Students must pick up and sign for their own tickets.

Payment may be made in cash or check, but checks must be made out for the amount of the ticket.

Student and staff parking permits can be purchased at the Bob Devaney Sports Complex August 22 to 24 and August 27 to 29, from 8 a.m. to 4 p.m.

Students must furnish a student identification card and their motor vehicle registration. UNL staff must have proof of university employment.

The Parking and Ticket office, 1024 Avery Ave., will be closed during permits sales at the Sports Complex.

University Police Captain Kenneth Markel said enforcement of parking regulations will begin immediately in all staff lots. Enforcement in other lots will begin Sept. 3.

Markel encouraged all those receiving parking tickets this year to pay them within the ten-day rate A time period.

"They really should take care of it as soon as possible," Markel said, "because after the ten day rate A period, it becomes a rate B and the fine is doubled."

After 20 days, if a fine is unpaid, a wheel lock will be placed on the car or it will be towed.

Fines are payable at the police office, 1024 Avery, but Markel urged that no cash be sent through the mail.

Farmer's market continuing this fall

A Farmer's Market has taken place every Saturday this summer in downtown Lincoln and will continue through Sept. 8

Items available at this year's markets include fresh fruits and vegetables, plants, flowers, pottery, sand art, baby quilts, and jewelry.

The market is located between O and P streets on 13th St. Beginning at 8:45 a.m., farmers offer their produce and hand-crafts for sale until 12:30 p.m.

In addition to goods for sale, entertainment will include country western and bluegrass music for market shoppers and participants.
