Fellow Nigerians. According to a friend, the Lagos Radio announcement upheld SHAGARI's election, contrary to what I said. I apparently lost trend because I was sleepy and my caller - my wife - panicked at the turmoil caused by the threatening Lagos crowd. Sincere apology. John.

ATTENTION: UNL

For some girls, a long-haired pop star is their idea of heaven. But for other girls, it's a broken-nosed, beer-breathing rugby star or nothing.

If you're in this second, more sensitive category, the University of Nebraska's rugby team is prepared to make a most unselfish offer.

Simply approach any (or every) member of NU's side who takes your fancy in the bar after the match.

And even though he has three wives and seven kids he'll give you an evening's entertainment he'll never forget.

This offer ends the moment the bar closes after the match. So hurry, while supplies last. NU Rugby
