When you're heading for the top, there's only one way to go...

Anheuser-Busch

Engineers, you really can reach the top when you climb with a leader. And no doubt about it, Anheuser-Busch, the world's largest brewer and maker of Budweiser, Michelob, Michelob Light, Busch, and Natural-Light beers, is out in front.

If the only thing you're afraid of is not reaching the top, you'll love to work with us.

We'll be on campus looking for business majors to join our Corporate Management Training Program on Thursday, February 7, 1980.

CENTRAL ENGINEERING

B.S.M.E. - M.E.'s will gain experience in such diverse fields as material handling, equipment layout, piping system development, steam generation, compressed air systems, ventilation, heating and air conditioning, and high-speed bottle and can packaging.

B.S.E.E. - E.E.'s can expect to be working in such areas as electrical machine design and application, power distribution, sub-station layout as well as industrial and commercial lighting, electrical control circuits, and systems control.

CORPORATE MANAGEMENT TRAINING PROGRAM

Opportunities exist in our Corporate Management Training Program for individuals with leadership ability and Engineering degrees. This 12-month course is designed to give the individual exposure to all areas of Operations and Administration and to prepare trainees for a career in Production Management, Quality Control or Engineering.
