ENGINEERS
Engineer the future with Union Electric

Located in Missouri, we are one of the nation's largest investor-owned utilities. And we want to talk with graduating Engineers about positions available in St. Louis and at our Callaway Nuclear Power Plant under construction in mid-Missouri.

We offer excellent career opportunities to Electrical, Industrial, Mechanical and Nuclear Engineers. We'll be on campus:

Thursday, October 2

Visit your placement office for more information and to sign up for interviews. If you are unavailable for an interview, send your resume to:
