Now. Three Great Names In Audio In A Single System.

- Klipsch Heresy Speakers in raw birch or black finish
- Bang & Olufsen Beogram 1600 turntable
- NAD Receiver

We selected 3 of the most cost-efficient components from our suppliers and matched them in a system which may well be the best buy on the market for your money. Especially if you want a system with Klipsch speakers that play loud and clean without distortion.

Individually, the components would cost \$1,375. You can have the complete system for only \$1,175.

THE SOUND ENVIRONMENT

Other Klipsch systems available under \$1,000. Major credit cards and other credit plans available.
