ATTENTION:
Please be advised this is a Sample Ballot and because the law requires location of the candidate names in the chronological order as listed may be different in your precinct.
Because some listed candidates are nominated in specific districts some names listed in this sample may not appear in your precinct.

PROPOSED AMENDMENT NO. 1

A vote **FOR** this proposal will reduce the number of Supreme Court judicial districts from 6 to 3, with these to coincide with the 3 congressional districts, provide that 2 judges would be selected from each of these 3 districts; provide that any judge serving on the effective date of this amendment would continue to serve until his position became vacant for any reason; and repeal the provision for the redistricting of the former 6 Supreme Court districts following the U.S. census every 10 years.

A vote **AGAINST** this proposal will retain the present 6 Supreme Court judicial districts and the provision for redistricting of them after the U.S. census every 10 years.

Constitutional amendment to change the number and formation of Supreme Court judicial districts.

FOR

AGAINST

PROPOSED AMENDMENT NO. 2

A vote **FOR** this proposal will reduce the membership of the Commission on Judicial Qualifications from 11 to 10; add the sanctions of reprimand, discipline, censure and suspension of judges without pay for not to exceed 6 months to the present ones of removal or retirement; add a new ground of conduct prejudicial to the administration of justice for such sanctions; and authorize the Supreme Court to disqualify a judge whenever there is pending against such judge a felony charge; and on its own motion or recommendation of the Commission remove a judge whenever such judge pleads guilty or no contest to a felony charge.

A vote **AGAINST** this proposal will retain the membership of the Commission on Judicial Qualifications at 11; will retain the present provisions allowing only the sanctions of removal or retirement of judges on certain grounds and not add the proposed additional sanctions listed above; will not add the additional ground for sanctions of conduct prejudicial to the administration of justice; and would not add the proposed new authority of the Supreme Court regarding the disqualification or removal of judges when charged with or pleading guilty or no contest to felony charges.

Constitutional amendment to change membership of the Commission on Judicial Qualifications and to provide additional disciplinary measures and an additional ground for discipline applicable to a Justice or Judge of the Supreme Court or other judge.

FOR

AGAINST

PROPOSED AMENDMENT NO. 3

A vote **FOR** this proposal will authorize the legislature to enact legislation providing that the increased value of real property resulting from improvements designed primarily for energy conservation may be exempt from taxation, such exemption to be upon any terms, consideration and restrictions prescribed by the Legislature.

A vote **AGAINST** this proposal will not authorize the Legislature to enact legislation of any kind providing that the increased value of real property resulting from improvements designed primarily for energy conservation may be exempt from taxation.

A constitutional amendment to authorize the Legislature to provide a tax exemption on energy conservation improvements as prescribed.

FOR

AGAINST

PROPOSED AMENDMENT NO. 4

A vote **FOR** this proposal would provide that the Legislature shall enact a method of financing public education which would meet the state's responsibility to provide maintenance and support of a thorough and efficient system of common schools, which method shall not rely on property taxes to the extent that an unfair and excessive burden is imposed on property owners.

A vote **AGAINST** this proposal would not add to the constitution the above mandate to the Legislature relative to the enactment of a plan for the financing of public education in the state.

Constitutional amendment to provide that the Legislature enact a system of financing public education which does not impose an unfair and excessive property tax burden.
