**\$999<sup>00</sup>**

If you prefer to take your recorder along, the RCA VEP150 may be perfect. Use it on batteries or at home with the TEP1400, 5 event, 7 day tuner timer. Our Studio 2 Club is also included.

VEP150/TEP1400

... any complete home entertainment system or separate audio or video component, the Stereo Studio salespeople wanted me to give you their personal invitation to shop our stores so they can show you the importance of selecting the right products for your needs. The major name brands in audio and video and they are designed to help eliminate any confusion you might have when purchasing a high quality music system or expanding your home entertainment system with video components.

From all the Stereo Studio employees and myself, have a Happy Holiday Season and we thank you for the last 20 years in business.

See you Tomorrow

*Don L. Bamore*  
Owner

Complete your video home movie system with a color camera by RCA. The CC005 features 3:1 zoom lens and electronic viewfinder at a very affordable price. See us for all your video needs.

## YAMAHA

**Yamaha known for musical heritage.** The difference in a system is the loudspeakers and the Yamaha NS4, although moderate size, is mighty in musical sound quality. The 8" woofer and soft dome tweeter reproduce the deep bass and natural highs you would expect from a much larger loudspeaker. When powered by the Yamaha CR440 receiver with no more than .02% THD at rated output, the sound is almost like being there. Two of its many unique features are continuously variable loudness for low level listening and separate input, record output selectors for full control of your music. The turntable is Yamaha's new P.350, a belt drive semi automatic turntable with "Optimum Mass" tonearm and complete with an Ortofon cartridge. We know of no finer turntable in its price range for musically sound quality and record handling. Completing the system are record and stylus care products by Discwasher.
