

Holiday tree trappings do-it-yourself inexpensive

Holiday decorations don't have to cost you an arm and a leg anymore. Making them yourself or with friends, they're guaranteed to brighten any dorm room or apartment.

Felt-decorated stockings to hang by the chimney (or third-floor window) are easy and inexpensive. Try deviating from the normal of stocking by shaping it like a ski boot or a tennis shoe. Some of the more interesting kinds with glitter and beads sell for about \$10 in stores. You can make them for about \$2.

Pine-cone wreaths also are easy and inexpensive to make. In stores they cost \$15 to \$90—but you can make them for about \$1. Pine cones are easy to find around Lincoln. Try out at Pioneers Park or around your neighborhood. Fasten an 8"-

wide strip of chicken wire in the shape of a circle or a heart or a bell. With picture wire fasten the pine cones to the form. Add mistletoe, ribbons or pine branches.

Decorated cookies are easy to make and are tasty tree ornaments. Remember that when baking, pierce a hole at the top of the cookie so that a string can be run through to tie to the tree. Popcorn and cranberry strands are inexpensive and colorful things to add to your holiday trees.

Another way to decorate—old-fashioned style—is with candles. The Un-Candle wicks are inexpensive and can be floated in just about any container filled with water and a touch of vegetable oil. Colored water in jars works well, or try filling the jars with seashells or colored rocks.
