TEAM UP WITH FLUOR AND DOUBLE YOUR CAREER POTENTIAL! In many ways, college prepares you to think independently. That's a great quality for an engineer to have. But just as important is the ability to work effectively on a team. We've found that the results of team work are much, much greater than the sum of the parts. That's why Fluor, one of the country's largest and leading engineering and construction firms, is organized totally around the team concept.
