**Survey Question on the State Student Association**  
I agree to support an automatic-refundable fee as the means of financing, in part, a Nebraska State Student Association. Such a fee is not to exceed five cents per student per semester; approximately \$20,000 per academic year. If the Nebraska SSA is formed, this issue will come up for reconsideration every two (2) years.  
- Yes - No

**Fund A Student Fee Allocation Question\***  
Note: A vote for or against any of these questions will not necessarily raise or lower student fees.  
Distribution of Student Fees collected from each full time student per semester for the fiscal year 1980-81 includes:  
Daily Nebraskan \$ .80  
University Program Council Speakers Program \$ .56  
ASUN executive salaries \$ .08  
1. Do you approve the allocation of a part of student fees collected to support the Daily Nebraskan during the 1981-82 fiscal year? - Yes - No  
2. Do you approve the allocation of a part of student fees collected to support the campus speakers program during the 1981-82 fiscal year? - Yes - No  
3. Do you approve the allocation of a part of student fees collected for salaries of student government officers during the 1981-82 fiscal year? - Yes - No  
\*This question is conducted in compliance with Regental Policy of Fund A Student Fees approved May 17, 1980.

**RECREATION CENTER SURVEY**  
The object of this survey is to indicate the extent of student support for the construction of a Student Recreation Complex.  
The UNL Administration has indicated that a survey of this nature is necessary before additional planning stages may be implemented. These planning stages include: consulting the Central Planning Committee to determine a building site; consulting architectural firms for preliminary building designs, which is necessary to determine the content and cost of the facility; contracting possible outside sources of funding; exploring various funding methods; etc.  
If this survey indicates sufficient student interest, these planning stages will be undertaken, culminating in a student survey in March, 1982 which will give students an opportunity to approve or disapprove the construction of the complex based on facility location, building content, cost per student, etc. The amount of financial support indicated in question No. 4 is non-binding, it is merely an indication of the amount of student financial support we can expect.  
1. Do you support the construction of an indoor multi-purpose recreational facility?  
- Yes - No  
2. If the answer to question No. 1 is Yes, what would you like to see included in this building?  
- court space (basketball, volleyball, badminton, tennis)  
- racquetball/handball courts  
- weight room  
- jogging track  
- martial arts/wrestling/tumbling area  
- sauna  
- swimming/diving pool  
- multi-purpose game room (table tennis, electronic games, etc.)  
- gymnastic area  
- training room  
- ice area (hockey, ice skating, etc.)  
- other (please list)  
3. As the legislature will not fund non-academic buildings, and if funds are not available from other sources such as foundations, would you be willing to increase student fees to fund or partially fund this new multi-purpose indoor recreational facility?  
- Yes - No  
4. If the answer to question No. 3 is Yes, what is the maximum amount you would be willing to increase student fees each semester to help pay for the construction of this indoor multi-purpose recreational facility?  
- 0-\$5.00  
- \$5.00-\$10.00  
- \$10.00-\$15.00  
- \$15.00-\$20.00  
- \$20.00-\$25.00  
- \$25.00-\$30.00  
- \$30.00-\$35.00  
5. Would you favor a required refundable student fee?  
- Yes - No
