ASUN Election March 4, 1981 polling places:

Survey Question on the State Student Association
I agree to support an automatic-refundable fee as the means of financing, in part, a Nebraska State Student Association. Such a fee is not to exceed fifty cents per student per semester. If the Nebraska SSA is formed, this issue will come up for reconsideration every two (2) years.

## Fund A Student Fee Allocation Question*

Note: A vote for or against any of these questions will not necessarily raise or lower student fees.

Distribution of Student Fees collected from each full time student per semester for the fiscal year 1980.81 includes.

Daily Nebraskan
$\$ .80$
University Program Council Speakers Program $\quad \$ .56$
ASUN executive salaries $\$ .08$

1. Do you approve the allocation of a part of student fees collected to support the Daily Nebraskan during the 1981.82 fiscal year? - Yes - No
2. Do you approve the allocation of a part of student fees collected to support the campus speakers program during the 1981.82 fiscal year? - Yes -No
3. Do you approve the allocation of a part of student fees collected for salaries of student government officers during the 1981-82 fiscal vear? - Yes -No
*This question is conducted in compliance with Regental Policy of Fund A Student Fees approved May 17, 1980.

## RECREATION CENTER SURVEY

The object of this survey is to indicate the extent of student support for the construction of a Student Recreation Complex.

The UNL Administration has indicated that a survey of this nature is necessary before additional planning stages may be implemented. These planning stages include: consulting the Central Planning Committee to determine a building site; consulting architectural firms for preliminary building designs, which is necessary to of funding; exploring various funding methods; etc. If this survey indicates sufficient student interest

If this survey indicates sufficient student interest, these planning stages will be undertaken, culminating in a student survey in March, 1982 which will give stu-
dents an opportunity to approve or disapprove the construction of the complex densed on facility location, building content, cost per student, etc. The amount of financial support indicated in question No. 4 is non-binding, it is merely an indication of the amount of student financial support we can expect.

1. Do you support the construction of an indoor multi-purpose recreational facility? - Yes - No
2. If the answer to question No. 1 is Yes, what would you like to see included in this building?

- court space (basketball, volleyball, badminton, tennis)
