

Lynch wins RHA run-off election

By Patty Pryor

Independent candidate Robin Lynch is the new Residence Hall Association president, after receiving 61.9 percent of the votes cast in the run-off election Wednesday and Thursday.

Lynch defeated X Party candidate Bill Flack, who received 38.1 percent of the vote. The total vote count was 486 to 299.

Steve Rowe of the X Party defeated Tom Macdissi of the CARE Party by 10 votes in the vice presidential race.

Rowe received 50.7 percent of the vote to Macdissi's 49.3 percent. The total count was 387 to 377.

Vicki Wagner of the CLASS Party was elected secretary over CARE Party candidate Chris Little, by a vote of 414 to 319.

Wagner received 56.5 percent of the vote, and Little received 43.5 percent.

The polls reopened Thursday in both Abel-Sandoz Complex and Neihardt Hall because of misunderstandings there Wednesday, said Sue MacDonald, former RHA secretary.

In Abel-Sandoz, she said, the polls did not open up in time, and in Neihardt, many residents were denied the right to vote because the poll workers were unaware that they had rosters for Neihardt residents.

Before going out of town Wednesday night, Lynch said she was surprised at the margin by which she won.

"The 61 percent I received gives me a mandate," she said, "and one of the first things I'd like to do is make April RHA Awareness Month, to tell people what RHA is."
