**WANTED:**

Persuasive, Creative, Money-Hungry Persons for Advertising Sales on the Daily Nebraskan for the 1981-1982 School Year.

Newspaper advertising sales can be very rewarding for those who are comfortable in a selling situation. But there is no reward if you don't sell anything, as you will be paid on a commission-only basis. Some salespeople have earned as much as \$700 in a single month. This is probably the best opportunity on campus for those who want to earn some spending money of your own to buy the things you've been wanting, or to take off on an adventure during breaks.

You will be given a territory to work with, and expected to work at least 20 hours per week, with all weekends and regular school holidays off.

If you think you can handle it, we'd like to talk to you. You need not be a Journalism major to apply. Pick up an application at the Daily Nebraskan, Room 34, Nebraska Union. Applications should be turned in by Monday, April 20 at 5:00 p.m.
