# PREPPY NEWS PAPER

**Look, Muffy...Preppies are popping up everywhere!!!**

**A CALENDAR FOR US**

Preppies insist on doing things according to schedule. How else to make it to class on time? Or to the bank, or ferry?

The Official Preppy Desk Diary for 1982 keeps track of every Prep deadline and date to remember, from the last day for ordering monogrammed Christmas merchandise from J. Press, to the week Exeter issues mid-semester warnings.

Handy reminders run throughout ("Have down vest cleaned"; "Open summer house"; "Reserve now for Feb. vacation at Stowe"). Space for telephone numbers is also provided, with enough room to list the trustee, the cotillion committee, the marina, Mummy & Daddy, New England Air, Lester Lamin, the club, and the HSA bartender.

**Do** use exclamation points! And parenthetical comments —the two can be combined in mid-sentence (!!!) to emphasize the free-spirited, fun-loving, bon vivant side of your personality. Lots of little arrows with the word "more" at the bottom of pages are also handy.

**DON'T** number pages. A certain breathless tone is what you're looking for. You might also try starting a sentence at the end of one page and never continuing it on the next. It's like wearing loafers without socks — messy, but Prep with a capital P.

—From The Fundamentals of Prep Correspondence, a helpful guide included with The Official Preppy™ Stationery.

All over the country, Muffy, Bitsy, and Kip are choosing the preferred lifestyle and its approved gear—gifts inspired by *The Official Preppy Handbook*.

This newspaper presents excerpts from *The Official Preppy Handbook*, the key book to buy and read, and features The Official Preppy™ gifts, essential things to have.

**THE KEY LOOK FOR HOT & HEAVY RELATIONSHIPS**

The Official Preppy™ Overnight Shirt

Wherever the Preppy spends the night, the preferred garment is the Official Preppy™ Overnight Shirt. The front displays the sign of the Crossed Ducks and is emblazoned with the words *Prep Sex: A Contradiction in Terms*. Preppies wear this shirt while sleeping through Unrequited Love, the night, or class.

Note: If someone presents the Overnight Shirt to you as a gift, receive it as a Prep display of affection. It means that you are practically engaged.

There are a number of acceptable places where Preppies wear the Official Preppy™ Overnight Shirt:

*At a mixer, checking out the new talent*

*At someone's house in Vermont for the weekend*

*In the cab, the whole time you are kissing on the ride home*

*On deck, during a shipboard romance*

*In the back row of Psych 101, while spreading major gossip*
