

# Welcome Back to School!

It's the beginning of a new semester! And that means you'll need new books, supplies and all of the miscellaneous items necessary for survival at school.

If you'd like a new way to pay for all those necessities--

## Become A Plasma Donor!

### Earn Extra Money!

Unlike donating whole blood, plasma donations are paid for! And since you are able to donate twice in a seven day period (waiting 72 hours between donations) that means added income to you!

\$10 is paid per donation. That's up to \$100 a month!

### It's Painless!

Donating plasma is virtually painless. With a proper diet and a good general health regiment, there should be no harmful effects.

### It's Easy!

The initial donation involves a physical examination. This first donation takes approximately 2 hours, with subsequent donations taking only about one to one and one half hours.
