

JOHN MORRELL DIDN'T BECOME A TRAINEE AFTER COLLEGE. HE BECAME A MANAGER.

"As Executive Officer of the Army's Defense Language Institute at Monterey, California, I'm responsible for the housing, feeding and well-being of 500 students. And that's no small task. I manage an annual food budget of over a million and a half dollars. And I'm accountable for five million dollars worth of property.

"On top of managing money, I also supervise a staff of 24 people. And each one has unique problems that I have to handle on a daily basis. You better believe the leadership and management training I received in Army ROTC is paying off."

There are other good reasons for taking ROTC, too. Like scholarship opportunities. And financial assistance — up to \$1,000 a year for

1st Lt. John Morrell was a business major at the University of Iowa and a member of Army ROTC

your last two years of ROTC. If you want a job after college that offers real challenge and real responsibility, do what John Morrell did. Take Army ROTC. And begin your future as an officer.

ARMY ROTC. BE ALL YOU CAN BE.
