

DAILY NEBRASKAN QUIZ

97% of UNL students pick up the Daily Nebraskan:

- A) To get the date for the Hasty Pudding Debutante Cotillion,
- B) To swat flies,
- C) To stay awake through Biology lecture,
- D) To read the Daily Nebraskan Classified Section.

(The correct answer is D.)

That's right. More and more people are reading and using the Daily Nebraskan Classified section. You can find all sorts of things in it: stereos, tickets, cars, jobs, club notes, dates, all sorts of stuff. And it's pretty cheap too. Students can run an ad for as little as \$1.50 . . . and that even includes your first ten words. If your ad runs longer, it's just a dime a word extra. We even have discount rates if you want to run an ad 3 days or more.

Daily Nebraskan Classifieds . . . A real good deal.
