'Patriot'...

Continued from Page 8

The film is as powerful as the reality, starkly haunting in its closeness to the subject matter. But there is no screaming voice of radicalism behind it, only what seems to be the steady voice of irrepressible reason.

This is the hardest voice for England to listen to and yet it is a voice that will not be quieted, a voice demanding to be heard and not patronized as it has been. It has spoken clearly for 300 years and, one feels from watching this film, it will speak for another 300 years if it is not heard.
