MIDNIGHT TONIGHT IS PARTY TIME IN HAVELOCK!
Have you ever thought about what the real world will be like when you grow up?

After you get the paper that says you've graduated and are officially wonderful, your next step is to go out into "The World of Work", right? Where they'll tell you you're over-qualified, that they have enough business administration majors... what they need is cheap robots. So you work on an assembly line in a factory where even the restrooms are wired for T.V. so the boss can spy on you. People fall into machinery and you go crazy.

When you get out of the sanitarium, the factories have gone bust, the economy turned sour. You are wrongly accused and thrown into jail during a radical meeting busted by the police. In jail you accidentally are given "nose powder" or Cocaine and while under the influence stop a jail break.

Rewarded for your heroism with a pardon, you accidentally launch a ship, fall in love with a beautiful girl who steals bananas, get a job as a rollerskating night watchman in a department store, and walk off into the sunset with the girl.

Sound like the kind of life you want? Then see it all happen to Charlie Chaplin in his funniest movie, "Modern Times" tonight only at MIDNIGHT at the Joyo Theatre (where, what? . . .) Joyo Theatre in Happy Havelock (60th and Havelock Avenue). You'll see a great old movie in Lincoln's most RUSTIC theatre.

So get the gang together and drive on out to Havelock tonight for "Modern Times" at Midnight, all seats \$2.50 for this special. It's party time tonight at the Joyo! See ya there!

SSWO Picnic Sunday, Oct. 4, 2:00 p.m. Antelope Park. Maps available, Rm. 111 501 Bldg.
