Second veterans thrift store opens

The opening of the second Disabled American Veterans. Thrift Store will be Monday, Kent Huss, assistant manager, said.

Lincoln Mayor Helen Boosalis and Lt. Gov. Roland Luedtke will appear at the 8:30 a.m. ceremony.

One hundred percent of the store's pro-

Huss said.

fits will go to disabled veterans in the area,

"It's a totally non-profit organization, locally owned and operated," he said.

The store's merchandise, like that in the other store at 821 N. 27th St. is acquired through donations, he said.

Guard offers special skill bonus

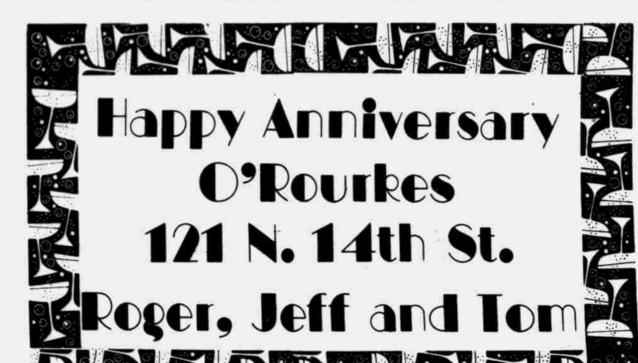

According to a recent message from the National Guard Bureau in Washington, D.C., persons enlisting in certain job categories in the Nebraska Army National Guard may be eligible for a \$2,000 federal enlistment bonus.

Several career management fields, or job categories, have been identified as "critical skills" by the Department of the Army. The career fields are: infantry, combat engineer, field artillery, air defense artillery, armor, communications, medical and military police. People enlisting in these career fields and meeting other criteria will receive a \$2,000 bonus. The bonus is limited to new enlistees with no prior service.

Many units in the Nebraska Army National Guard are authorized to pay a \$1,500 federal enlistment bonus to persons who enlist to fill an authorized unit vacancy. Now, in the jobs identified as "critical skills," the person would receive the \$2,000 bonus instead.

According to officials at National Guard Headquarters in Lincoln, the new bonus will be retroactive to Oct. 1, 1981.

People desiring information about the new bonus should contact their nearest Army National Guard Armory, or Army National Guard Recruiter.
