## personals

**DOUG** Wow, like like wow... ah, ah... um, oh GOD, um, you won't believe this, I mean it's not like we forgot your birthday (OK, wait a minute). But, um well, we KNOW it was Monday because well, this is WEDNESDAY (it is, isn't it?) Okay, let's see, it looks like we forgot your birthday, but we didn't. But you see, this is what happened, it's like on our way to the Rag, this um, cop, pulled us over. And like, we didn't know what was going on; we were only trying to back up into this parking space a couple of blocks back and all these cars were getting in our way and stuff. I don't know what this guy's problem was but he makes this **BIG DEAL** cause we bumped into him. And so he busts us for negligent driving, defective taillight, DWI, MIP, Grand theft auto and like it wasn't even our car! What a redneck. So after we made bail and got back to campus, like it was too late. So here it is Wednesday (right?) and well, Happy Birthday, anyway. Jim, Jean and Leslie

Sheryl, The Delta Sig Halloween Party was great... but the ride home afterwards was even better. P.S. You have nice thighs, and I love those white nylons.

To The Cute Gal in the Tan Poncho— Our paths crossed Monday at about 10:25 a.m. on the corner of 16th & "R", in front of the white Frat House. You smiled, but I was so entranced by your beautiful brown eyes, I was unable to react. Would like to get to know you better & take you out to eat + a movie. I'm spellbound. Please call 2-9316 or reply via personals. Guy with curly brown hair & glasses, wearing yellow jacket with brown stripes.
