

## UNL student assaulted Wednesday

A 21-year-old UNL student was sexually assaulted Wednesday night in a university parking lot.

The second degree sexual assault occurred about 9:35 p.m. in the woman's car, parked in the Area 1 lot between R and Q streets on 17th Street, UNL police reported.

The student had parked her car and gotten out of it when a man approached her and asked what time it was. After she answered, he pushed her into the car and began touching her, police said.

The woman successfully fought off the attacker and he fled.
