MR. MORROCCO:
As I sit here remember-
ing all those times we
used to share together, I
have come to the conclu-
sion that we never signed
a contract saying we
would be friends forever.
You always had that way
of understanding me and
no matter what I tried to
cover up you could see
through me completely.
I miss you and I pray some-
day things will return to
the way they were, but
I am discovering that it's
time to face the reality
that we are growing apart
and that it may always
be this way. I turned the
page in my life and you
are no longer in it. May-
be you cannot understand
why I'm doing it, but
jealousy doesn't have any-
thing to do with why I
feel the way I do. Many
years from now, when you
are married in Morocco
and I'm in Brazil, I'm
still going to find time
to think about all those
wonderful memories you
and I once shared.
Con mucho amor y cari-
no, tu amiga para siempre
