Those Awesome Alpha Xi's

Mitch,
Happy Birthday yesterday! Have one for me at Pears, Horsefeathers, etc. I'll be extra quiet the next morning!

It will take more than a nuclear explosion to crush the tradition of Sooner strength (9 of the best 11 meetings between OU & NU have been won by Barry's boys).
Barry Switzer is still an omnipotent Godhead, but this year the Huskers got the oranges rolling for a change.
The newspaper is wrong in saying "The Sooner Dynasty has come to an end" it's just been slowed down so everyone else can catch up with them. Split decision player of the game goes to: No. 34 Stanley and No. 17 Mark. Congrats fellow Huskers and good luck in the Orange Bowl!

Sandy,
Happy 19th birthday to the best roommate! You're great! We've had some wild times. Have a blitzful Birthday.

Dan (I danced with you at P.O. Pears)

Danny P. (yes, you!!)
I couldn't think of an appropriate gift, but I wanted you to know I remembered. Here's to:
Teaching me racquetball (and teaching you how to make pancakes!)
Screw your Roommate "Hey did you know you're naked?"
Frito-Legs Under the bridge (think about it!)
The Quimby incident Numerous bottles of TJ "Check EGR" and all the other memorable times I couldn't afford to mention. Happy Birthday — I love ya!
(It's OK, everybody, we're just dating!)
