## Kwik Shop considers changing plans

By Leslie Kendrick

Kwik Shop representatives plan to make a formal announcement about Jan. 25 concerning the convenience store to be built on R Street across from UNL's Administration Building.

David Cleaves, real estate manager for the Kwik Shop central office in Hutchinson, Kan., said Kwik Shop is considering alternatives discussed in a Jan. 11 meeting with UNL officials.

Ray Coffey, business manager for the UNL Department of Business and Finance, said Richard Wood, UNL general counsel, and John Goebel, UNL interim vice chancellor for Business and Finance, had discussed university concerns about a gas station being built in that area.

Coffey said the university showed Kwik Shop representatives the previous and current plans for development of R Street.

Past plans included shutting off part of R street, Coffey said, where the Westbrook Music Building and Kimball Recital Hall are now located. Future plans for R Street include closing R Street to 16th Street and building malls, circular driveways and parking areas.

"We expressed the hope that they might find a better location," Coffey said. "My impression was that they felt there may be a better merchandizing location."

In addition, Kwik Shop representatives discussed the concerns of its future neighbors, the Lambda Chi Alpha fraternity and St. Mark's on the Campus church. The fraternity and church are located adjacent to Kwik Shop's land on R Street.

Cleaves said the fraternity is concerned about the lighting of the store and possible litter around the area. The lighting of the store will comply with Lincoln regulations

and every effort will be made to shield the light from the fraternity, Cleaves said.

St. Mark's was concerned about the esthetics of the convenience store, Cleaves said. Kwik Shop plans to build a brick building, he said.

Coffey said the meeting with the Kwik Shop representatives was a cordial one. He said Cleaves was cooperative and indicated a willingness to establish the store without causing undue concern on the campus.
