Applications are now being accepted for the position of Advertising Manager for the 1982-83 academic year.

It's not easy, but you'll gain rewarding experience in organizing and leading a department of over 15 persons. This is an eleven month position commensurate with University holidays, with one month off during the summer. Advertising and Marketing majors are especially encouraged to apply. A background in sales is helpful.

Applicants should be familiar with the Guidelines for the Student Press adopted by the Board of Regents, and copies will be made available at the Daily Nebraskan. Applications should be returned to the Daily Nebraskan, Room 34 Nebraska Union. Application deadline is Monday, February 22, at Noon. Interviews will be held during the last week of February.
