**PROPOSED AMENDMENTS TO THE ASUN CONSTITUTION**

**SENATE REPRESENTATION BASED ON TYPES OF LIVING UNITS**

PROPOSAL I

The ASUN Constitution provides for the election of currently 35 senators in proportion to the enrollment in each of the university's colleges. The proposed amendment would elect 35 senators in proportion to the population in each of the three University recognized types of living units: 1) Fraternities/Sororities/Cooperatives; 2) Off-Campus Housing; 3) Residence

<p><b>PRESENT</b> Article V, Section 1.A.1. Elected Members. The elected members of the Student Senate shall be chosen by direct appointment from the colleges in accordance with Article VI below.</p> <p>Article V, Section 1.B.1.a. (A Senator must . . .) Be a regularly enrolled member of the college he proposes to represent and agree in writing to resign if he should terminate his enrollment in that college during the term of office for which he seeks election.</p> <p>Article VI, Section 1.E.3. Reappointment. The Electoral Commission shall reappointment by direct apportionment the representation of the Student Senate among the several colleges of the University according to the enrollment of the second semester.</p>	<p><b>PROPOSED</b> Article V, Section 1.A.1. Elected Members. The elected members shall be chosen by direct apportionment from the recognized types of living units for students of the University in accordance with Article VI below.</p> <p>Article V, Section 1.B.1.a. Be presently living in the type of recognized living unit he/she proposes to represent and agree in writing to resign if he/she should change the type of living unit during the term of office for which he/she seeks election.</p> <p>Article VI, Section 1.E.3. Reapportionment. The Electoral Commission shall reapportion by direct apportionment the representation of the Student Senate among the three recognized types of living units of the University: Sororities, Fraternities, and Cooperatives; University Residence Halls; and Off-campus Housing. This is according to the percentage of students living in each type of living unit at the beginning of first semester. The apportionment shall be completed and the results publicized by the first day of November.</p> <p>(The above Amendments will become effective as of the General Student Elections in Spring.)</p>

**SENATE REPRESENTATIVE FOR NON-TRADITIONAL/NON-WHITE STUDENTS**

PROPOSAL II

The ASUN Senate would be increased in size from 35 elected members to at least 40 elected members. Fifteen percent of the Senate seats must be filled by non-traditional (age 27 and older) and non-white students. If 15% of the Senate seats were not elected from these groups, additional seats would be appointed after the election.

<p><b>PRESENT</b> Article V, Section 1.A. Composition. The Senate shall consist of thirty-five (35) elected members with voting privileges, the President and First and Second Vice-Presidents of the Assoc., and two faculty representatives, all of whom shall serve without voting privileges except as hereinafter noted. No Senate member is eligible for an executive or judicial position except as hereinafter noted.</p>	<p><b>PROPOSED</b> Article V, Section 1.A. Composition. The Senate shall consist of at least forty (40) elected members with voting privileges. Additional voting members shall be appointed by the Senate in compliance with Article V, Section 1.A.1.a. The Senate shall further consist of President and First Vice-President, Second Vice-President, and two faculty representatives, all of whom shall serve without voting privileges except as hereinafter notes. No Senate member is eligible for an executive or judicial position except as hereinafter noted.</p> <p>(Additions to Article V, Sect. 1.A.1.)</p> <p>Article V, Section 1.A.1.a. The Senate's voting members shall further be composed of at least fifteen (15) per cent nontraditional and nonwhite members in accordance with Article VI below.</p> <p>Article V, Section 1.A.1.b. In compliance with Article V, Section 1.A.1.a., the Senate shall appoint the necessary number of students as Senators regardless of proportional requirements.</p> <p>Article VI, Section 1.E.5. (The Electoral Commission shall . . .) Establish regulations and procedures applying to Article V, Section 1.A.1.a. at the beginning of first semester, subject to majority approval of the Senate.</p> <p>(The above Amendments shall become effective upon installation of the new Senate in Spring Semester 1983.)</p>
