personals

Yo Adrian!
I talked to your brudder Pauley yesterday, and he was saying that your pet store has like a girly Yorkshire Terrier in there. And like I was thinking you know that maybe you could set up Butkus. I mean he's so upset that he won't even go running wit me anymore, and when he gets upset he gets ugly. So maybe you could see what you could do and I'll try to cheer up Butkus with a few of my jokes. But you know Butkus, he ain't much of a joker when it comes to laughing.

Rocky

Julie,
Here's the personal you wanted. Forgive me for being late.
