Happy Birthday you old woman! One more time—is that 55 or 22? And how many times are we going to go over how much we've grown in the past two years? We really have been through a lot together, the estate this summer, the "men" last year and this, Dennis and Jim, and the house. Through the good times and the bad we're a bunch of special women. Saturday night was ultimate. Don't let your balloons touch the ceiling. Good luck if you go South next year. Don't let those kids hit you! Remember: the homestead in Omaha will always be there.
Catch ya—

P.S. I'm sure David's got a good excuse.
