"If I had friends like that, I'd disown them," said Jim, placing a disc on the stereo.

"You've got to be purged of your delusions!" cried Eric. "You have got to abandon this fruitless quest and seek out something that really means something in your life!"

"But I like 'old wave'!" she wailed, rending her garments. "Iron Man is what I want, and it will get me the things I need!"

"Even more than anarchy?" Mike asked breathlessly. "Even more than the cause for which we fought and bled?"

She paused for a moment, deep in thought.

"Well, I guess not . . ." she mused. "But still, it's a record I would like to own."

"Try, 'Simple Minds,' instead," Jim advised. "They're more productive and less wearing on the ears."

She contemplated the infinite, and then, as if beholding heavenly visions, she spoke.

"I spilled beer," she said.

"Yeah, I did."

"Look here."

"I spilled beer."

Next week: Eric goes punk.
