cts she cannot reach with her hands.

Elaine's greatest achievement is walking through the parallel bars with a single leg brace. She hopes to do without the brace some day.

Elaine is able to wheel under the sink area, thanks to one of the many adjustments in her condominium's design.

Elaine adjusts her leg brace so she can practice with a walker.

Burdie and her assistant, Merle Bagwell, help Elaine into a friend's van. Elaine can get into and out of

cars by using a sliding board, but travel by van is easier.
