

Krenk prepared...

Continued from Page 14

"I come out here and I still practice as hard as I ever have," Krenk said. "Before, I used to worry a lot more about football and other things in life that I don't worry about as much now."

Krenk said his bout with cancer helped him put football in perspective. Although he still has blood tests, bone scans and X-rays every three months, he expressed optimism that his problems with cancer are over.

"All the tests proved clear. There's

always a danger, I suppose, but they're real confident there's nothing else," Krenk said.

A foam spacer helps keep Krenk's toes from drifting together. He said because it was his middle toe that was removed, he's had no problems with balance. In other words, Krenk is ready to play football this season - 100 percent ready.

"Whatever aspect I'm helping with in the game, I just want to go 100 percent effort every time and give my full effort on every play," Krenk said. "That's all you can do is what I figure."

Spikers, setters hold Red-White scrimmage

UNL volleyball Coach Terry Pettit has announced that this year's annual Red-White scrimmage will be held Tuesday at the Grand Island High School Gym beginning at 7 p.m.

The evening's events will open with a warmup session and drills, with the match beginning at 7:30 p.m. After the match, those in attendance will be able to meet the players and coaches.

The 1982 Huskers will be defending six consecutive, undefeated Big Eight championships this season, but they are facing somewhat of a rebuilding year with only four starters returning. Missing from the lineup this year are Shandi Pettine and all-American Terri Kanouse, but Pettit has a duo of all-Big Eight performers returning: Cathy Noth and Erin Dean.

Nebraska opens the regular season Sept. 4 with a home contest against UNO. The matchup pits the top Division I and II schools in the state. The season-opener is High School Day and all high school volleyball players and coaches will be admitted free.

Soccer clubs to clash

The Eastern Nebraska Soccer Association will sponsor a soccer tournament this weekend. Although most of the games will be played in Omaha, two games will be played Sunday at the UNL East Campus fields.

Arash Soccer Club will kick off the Lincoln portion of the tournament at 11 a.m. with a game against the GAS team of Omaha. Following that match, the Lincoln Soccer Club will play the Omaha Chargers at 1 p.m.

EVEN STRAIGHT A'S CAN'T HELP IF YOU FLUNK TUITION.

Today, the toughest thing about going to college is finding the money to pay for it. But Army ROTC can help - two ways!

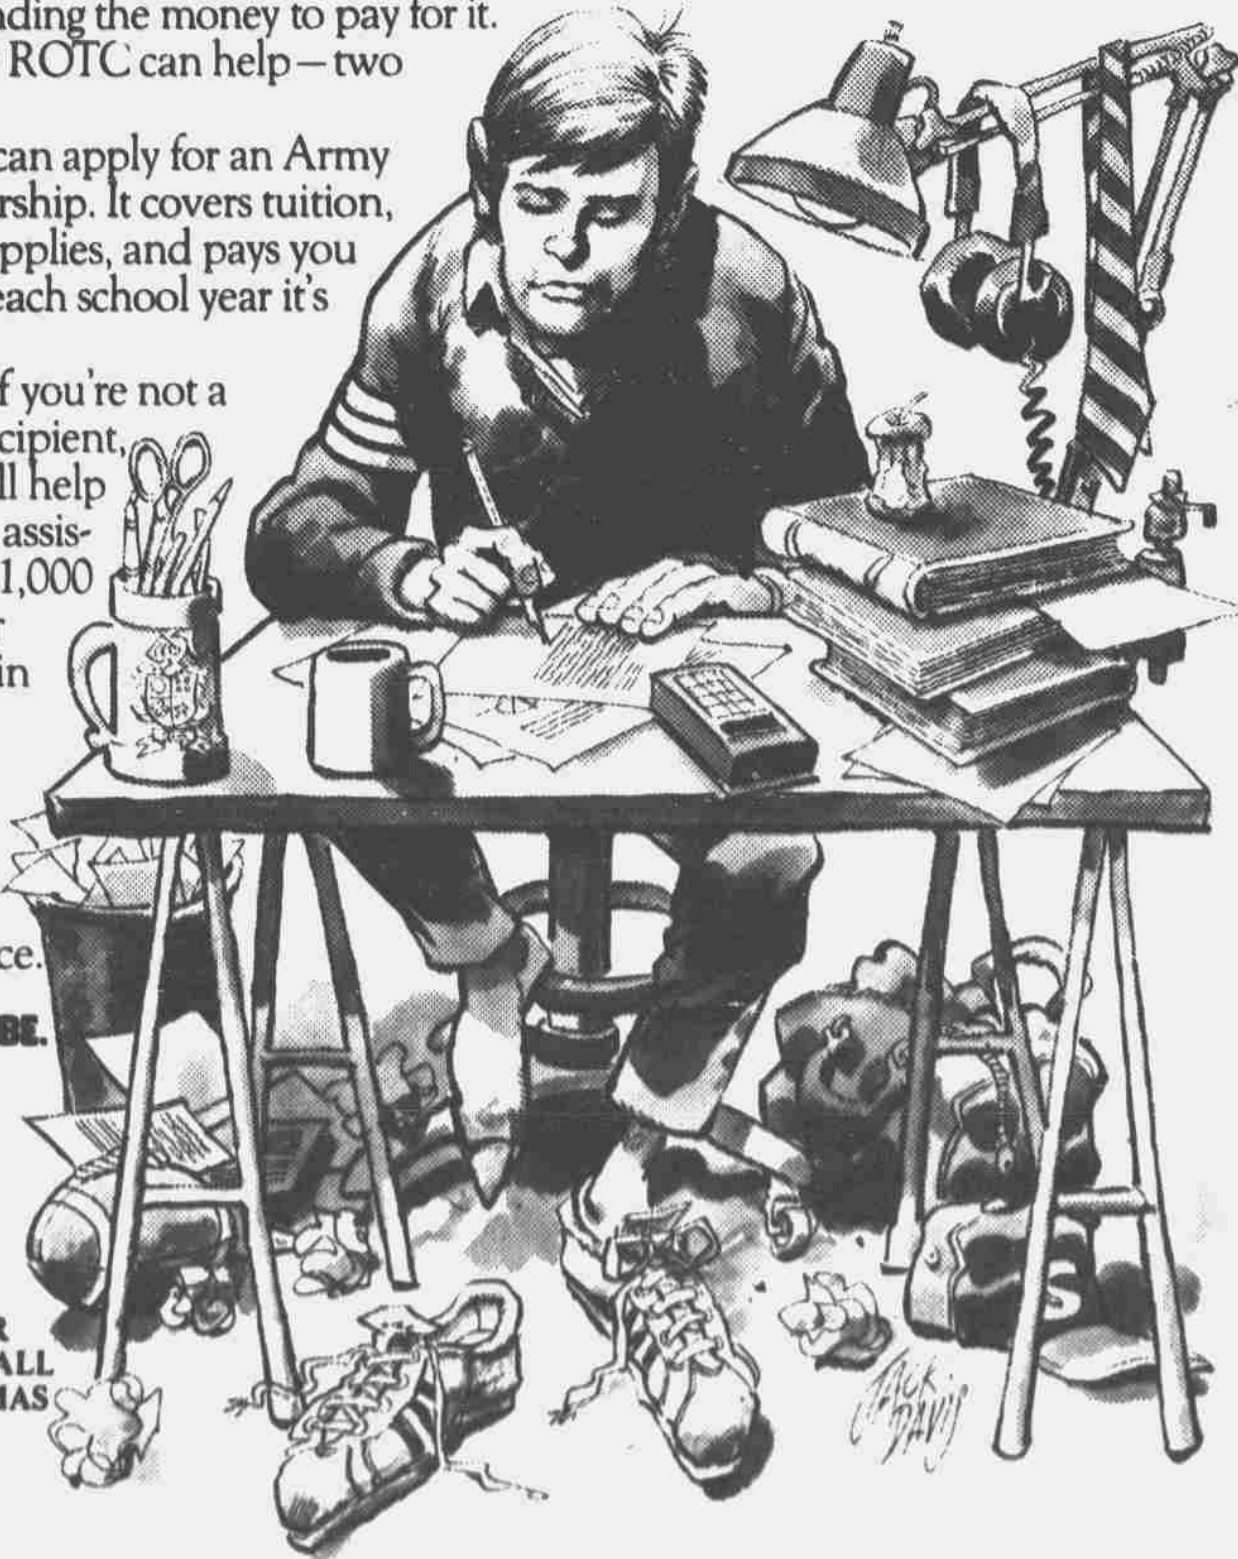

First, you can apply for an Army ROTC scholarship. It covers tuition, books, and supplies, and pays you up to \$1,000 each school year it's in effect.

But even if you're not a scholarship recipient, ROTC can still help with financial assistance - up to \$1,000 a year for your last two years in the program.

For more information, contact your Professor of Military Science.

**ARMY ROTC.
