Tom Wright
Registered Jeweler AGS

BUYER BEWARE

Yes, the buying of a diamond is very much "Buyer Beware" There are no universal grading systems. Thus, when you hear a grade or name of a diamond, is that what it is?

Your only protection is the extensive training and the ethical standards of who you are dealing with.

CONSUMER TIP:

If you don't believe or trust who you are buying from, don't give them your money!
