

State agriculture is forum topic

Ag Forum '83 will be Wednesday at 7 p.m. in the East Union's Great Plains Room. A panel discussion centering on the topics of Nebraska Agricultural Policy and the Payment in Kind Program will be included in the forum.

Speakers on the panel include Robert Raun, director of the Nebraska Department of Agriculture; Bryce Neidig, president of the Nebraska Farm Bureau; and Roy Frederick, professor of Agricultural Economics at UNL.

T.E. Hartung, dean of the College of Agriculture, will moderate the panel discussion.

The PIK program would reward farmers who keep part of their crop land idle by giving them government-owned commodities. The farmers can then sell the commodities or use them as collateral for loans.

The forum is sponsored by Alpha Zeta Agriculture Honorary and the University Program Council-East.
