**OUR WORK-STUDY PROGRAM GETS YOU MORE THAN TWO INCOMES.**

If you have at least two years of college left, they can be over \$6,000 cheaper. By joining the Army Reserve and Army ROTC at the same time, you earn two incomes—over \$100 a month as a Reservist, and \$100 a month as an ROTC Cadet. You graduate from ROTC a second lieutenant and continue in the Reserve as an Army officer. It's called the Simultaneous Membership Program. By joining the Army Reserve now, you can take your paid initial entry training over the summer. You'll then qualify for Advanced ROTC programs at over 800 colleges, universities, and cross-enrollment schools. If you'd like to learn more, stop by or call.

And, with Ryder, you know that you're renting a truck from the best-maintained, most dependable fleet in the world. That's nice to know when you're rolling across the highway with all of your family and possessions with you.
