

DOLLAR SALE!

SO CLOSE!
 World Radio is so close to our goal of selling 2 MILLION DOLLARS in stereo, video, and car stereo components. Thousands have already witnessed what our tremendous volume buying power means to them...because we've ever seen so much for so little! But, time is running out...and to guarantee that we meet this goal, management has instructed every World Radio store to phone headquarters first before turning you down on a deal. It's **NOW OR NEVER!**
