### Gophers . . .

Continued from Page 13

But there is no such problem this year. The Sooners are once again sweeping over the hapless teams of the nation like the hordes of Genghis Khan. Our eyes turn to the Buckeyes from Columbus for salvation! Ohio State 28, Oklahoma 24.

Texas at Auburn. The Longhorns lost their starting quarterback last week in an intrasquad scrimmage. They're opening on the road against one of the better teams in the country. Could things get any

worse?

Probably not, unless Bevo, the Longhorn mascot, comes down with anthrax.

Still, all is not lost. The Horns have one of the better defensive units in the country if not the world.

But those Auburn Tigers go through defenses quicker than Eisenhower went through France. So, let's call it: Auburn 24, Texas 21.
